Telangana calling...

Come!! "Join the Non-Cooperation Movement"

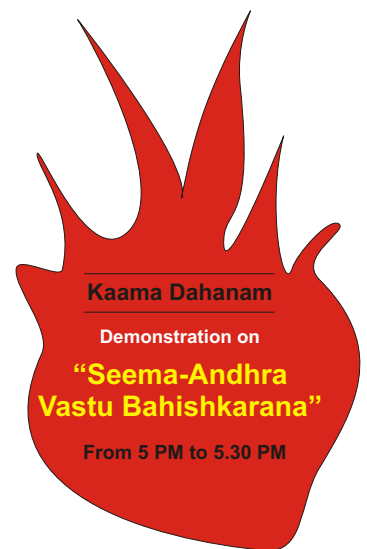

Agenda for the meeting:

Boycott Seemandhra Products (Who are Anti-Telangana)

Non-Cooperation Movement

Dear supporters of Telangana:

1. The long awaited & all important meet to **"Strengthen TDF-INDIA"** is now Scheduled for **Saturday, 27th Feb, 2010 afternoon**.
2. This meeting "matters a lot" to each one of us – Not only to those who are members of TDF-Charcha, TDF-Discuss, TDF-India & several other e-group members, but also for many others who are directly / indirectly connected to TDF proposed/initiated activities at ground-level, here in India.
3. The key agenda for the meeting is to **"Set Action Plan"** on how to further refine, expand the reach & activities of TDF India, and thus contribute aggressively as a team towards state formation & activities beyond statehood.
4. The duration for the meet is between 2 pm to 5 pm (with a short tea/snacks break) and after the meet there shall be a **"KAMA DAHANAM (Holika)"** activity, i.e., Burning of selected products owned by business houses who are known openly as Anti-Telangana. (OR we may burn their brand placards)
5. Media, both state & national are invited to capture this novel protest, which is similar to **"BURNING VIDESHI CLOTHES"** introduced by Gandhiji, protesting British rulers who were not conceding self-rule to India, but wanted to continue their flourishing business.

"Seema-Andhra Vastu Bahishkarana"

Note: Please bring atleast one Seemandhra product with you.

From 5pm to 5.30 pm

Holi and Kamuni-punnama are celebrated in Telangana region and not part of Andhra culture. On the night of "KAMA DAHANAM / Holika dahanam" people gather on streets and burn old/unwanted items to denote the burning of DEVIL-Holika.

Since Holi is just 2 days away, this protest perfectly coinciding with **"Burning of Products, Brands Placards"** belonging to business groups that are openly opposing Telangana and want to continue selling their products / services to us. **Can they do it any more?**
NO! Let us move on the path shown by Gandhiji.....

Please inform all your friends representing various JACs, Students, Teachers, Advocates, Intellectuals, Writers, Minorities, Women, Kula sanghalu, Employees groups, Industry group etc. (Please add other groups, individuals, who are not listed).

Let us collectively enable TDF India, to play an important role in linking all Telangana supporters based in INDIA together with our visionary founders abroad.
